what do we do for you?

In personal or business affairs the correct insurance is vital. Wrong or inadequate cover can lead to disastrous consequences for individuals, families or businesses. The right advice makes all the difference and prevents costly mistakes.

1. convenience

We offer a no-obligation and complementary risk analysis for you, identifying your needs. We then develop a comprehensive insurance proposal for you and arrange all the insurance protection to meet these.

2. choice

We have an extensive network of leading insurance companies and deal with them directly - presenting your risks in the most effective way. We canvass the market to obtain competitive terms and costs, then suggest a contract which best fits your needs, objectives and financial situation.

"We are instructed by you – and act on your behalf".

3. claims

Part of our service is to lodge claims on your behalf. We will arrange the necessary documentation and liaise with the insurance company(s) directly.

"We will stand beside you in the event of a claim to ensure fair settlement".

4. business friends

We can refer professional advice or services using our close network of legal advisers, accounting services, registered valuers, equipment and mortgage finance brokers and qualified tradesmen.

remuneration

matt jensen insurance brokers ltd receives remuneration in the form of commission and benefits from product insurers. Your adviser receives remuneration from matt jensen insurance brokers.

Commission will be received in connection with any product taken out by you. The rates of commission vary considerably depending on the product concerned. If you request, your advisor will be pleased to provide details of commission in connection with any product discussed with you.
